The fabrics which are most in evidence are French Serge, Delhi, Silvertone, Poplin, Satin and Taffetas.

Colors are Navy, Copen, Clay, Sand, Gray and Sammy.

A New Petticoat To Go With That New Suit

A great array of changeable taffetas, striped taffetas and Jersey top with taffeta bottoms are here to choose from. Petticoats you will want as soon as you see them

HEALTH CAMPAIGN TO BE CONDUCTED IN U. S.

Washington, April 4.—Respiratory diseases having caused practically all the sick and death rate in the nation's new armies, the Medical Corps today began a nation-wide campaign of prevention against pneumonia, measles, diphtheria, mumps, meningitis, infantile paralysis, influenza and tuberculosis.

All of these disease mentioned are spread or communicated in the same way—through the transfer of nasal and mouth secretions. The sickness rate in camps throughout the country could be cut to the minimum if the soldiers and the general public as well, stopped promiscuous coughing, sneezing and spitting.

The difficulty of controlling these diseases, it was pointed out at the Surgeon General's office today, lies in the fundamental fact that human beings scatter their nose and mouth secretions without any consideration, despite the rules and regulations to the contrary. One sneeze in a crowded street car could infect many persons in the car with pneumonia, or measles, or diphtheria, or mumps, or meningitis, or infantile paralysis, or tuberculosis. One hearty cough could do the same. In either case spread of any of these diseases could be prevented if a sneezer or a cougher used his handkerchief as a "cough catcher" to sneeze or cough in.

Unlike some disease germs, the germs which cause the diseases mentioned do not die or become harmless upon drying. So that when they are dried and blown about with the dust they are still capable of setting up disease in many other people. The problem of the respiratory diseases which confronts Surgeon General Gorgas and the Army Medical Corps is serious. Apparently, however, the public generally is totally ignorant of the immeasurable harm that is done through unguarded and promiscuous coughing, sneezing and spitting. Army Medical Corps experts, who have given untiring study to this problem, have reached the conclusion that a national campaign must be inaugurated at once, not only in the camps but at the homes, in the offices, in the street cars, and in all public places, to stamp out this wide-spread habit of

spitting and coughing, if health conditions for our soldiers are to be improved.

Science Solves the Butter Problem with Butter Made from the White Meat of Cocoanuts

Just when the price of butter threatens to make it an unattainable luxury, science perfects TROCO, the new vegetable butter made from the white meat of the coconut.

It tastes exactly like the finest creamery butter and is even more wholesome and pure.

It is churned with fresh Pasteurized milk to give true butter flavor.

Because of old laws, made before this discovery, we are compelled to label this nut-made butter as oleomargarine.

But it contains no oleo oils—no hog or beef fat, nor any preservatives.

TROCO is simply vegetable fats, churned with milk for the butter taste.

Yet this appetizing combination costs no more than does the best grades of oleomargarine.

TROCO

Can't Be Told From Butter

TROCO has all the good qualities of fine creamery butter. The only difference you will notice is the cost.

It is as nutritious as cream butter, and as easily digested. It possesses the fuel value needed for energy.

TROCO when served has butter's golden color, because we supply the same vegetable coloring used by all butter makers.

Served on your table, without explanation, no one can tell the difference.

Goes Farther In Cooking

TROCO, used in cooking, gives the same results as butter, except that it goes farther. Cooks should remember this and reduce the amount.

It makes such cake as has not been known since butter soared in price.

It allows the old-fashioned "rich cooking" that builds up the family health.

Your Dealer Can Supply TROCO

If your dealer doesn't already keep TROCO, ask him to get it for you. Tell him you must have this new-day successor to butter.

Insist until he secures a supply.

For TROCO solves one of the biggest problems presented by our high food prices—

—The problem of serving appetizing, wholesome butter at a moderate cost.

Made by the

TROCO NUT BUTTER CO., Milwaukee, Wis.

The Shurtleff Co., Distributors, Janesville, Wis.

NOTICE: Under the law, all butter substitutes must be branded Oleomargarine. That law was passed before TROCO was invented. So TROCO is branded "Oleomargarine," though there is no oleo in it. All butter substitutes must pay an extra tax if colored. So the color for TROCO comes in a capsule. Add it yourself, as you do with Oleomargarine.

THE GERMAN "SUPERMEN"

A good idea of the obsession that has seized hold of the German people, both in Europe and America, was given by Professor W. H. Schofield of Harvard University. He has met and talked intimately with Kaiser Wilhelm. The Kaiser's motto, as expressed to him was, "Keep the world in doubt and stimulate fear. Keep the nations uneasy and make them afraid, so that Germany may have her will, which is the will of the Almighty."

One of our many lecturers who has traveled widely brings home the same idea. He quoted a German woman as having said to him: "You have no doubt that it is legitimate for you to eat the flesh and wear the skin of lower animals. Similarly, the Germans, being superior, have the right to make the other races of mankind subject to them and serve our need. We have the right to use your flesh and your hide if need be. It is our duty. You are only men, we are superior. As we have a higher civilization to impart to the world, it is our duty to impart it by force if necessary."

This idea, held at first only by the philosophers, has sunk to the bottom of the German consciousness. The German people have gone crazy over it. They possess their souls and arms with that courage for the battle. There can be no peace in the world while a nation exists with these mad ideas.

Fortunately their military achievements do not indicate their superhumanness. What they got took by breaking treaties, by military preparation long in advance, and by treacherous lies. When they meet an equal number of Englishmen or Frenchmen on even terms, they never gain any ground. They lose it. It is a fair guess that they will yield ground to an equal number of Americans. Before we quit, they have got to get this lunatic notion out of their heads.

SURGICAL DRESSINGS.

Just now the demand has come to the Janesville Chapter of the Red Cross for an immense number of surgical dressings, the need for which is most imperative. The call was issued even before this last great Hun drive over in Europe and by this time the need for them is more than urgent. It is said that some have thus far been received in France that nurses have to leave their wounded patients to make them on the spur of the minute.

That the Janesville Red Cross chapter has been called upon in this emergency is not surprising considering the wonderful amount of work this local organization is turning out in its various branches. Now the crying need and every energy should be directed today and tomorrow and all this month to fill the immense order.

Some skeptical people, who usually don't believe anything themselves, find that the production of surgical dressings by patriotic women is being despised. If they could see conditions in some of the French villages where not a single able-bodied man remains, they would not feel so.

SENATOR LENOIR.

Irvine Lenoir has been elected United States senator for the unexpired term of the late Paul S. Hastings. His victory over his democratic opponent was clean cut and decisive and leaves no question as to the loyalty of Wisconsin. Unfortunately, the sum total of the socialist vote reaches almost a hundred thousand voters, who can be classed in no other way than "disloyal," but when the votes received by Lenoir and Davies are added together, it shows to the world conclusively that Wisconsin is loyal.

However, in electing Lenoir, the voters of Wisconsin have sent to the United States senate a man well-fitted and qualified for the difficult task which will greet him. His work in the lower house has given him the legislative training that will especially qualify him for his promotion and he will prove a valuable asset to the government in the halls of congress in deciding this complex war legislation. Wisconsin can rest assured of his loyalty and patriotism and his re-election for the full term at the regular election later in the year is assured.

JUDGE GRIMM.

It must be a satisfaction to Judge George Grimm to realize that he has been re-elected circuit judge for another term without any opposition and endorsed by the bars of Rock, Jefferson and Green counties. Since taking his seat on the bench Judge Grimm has created a new feeling among attorneys and their clients, now procedure of settling cases without long and tedious trials and the wonderful results obtained have been the cause of nation-wide discussion and suggestion of adoption in other circuits. The voters honored themselves by casting their ballot for Judge Grimm and the circuit is to be congratulated upon his being retained to act as judge for some years to come.

JUST JUSTICE.

The election of Justice Rosenberry to the supreme bench of the state is a source of gratification to his friends throughout the state. The wonderful majority that was totaled for him is also a just rebuke to his opponents who sought to inject politics into a judicial contest. Justice Rosenberry has been elected for the full term against a machine combination that would have been injurious to the state and for interests if the state had it been successful. It also substantiates the judgment of Governor Philipp in his rejection of Justice Rosenberry to fill

the terms of Justice Barnes, resigned, some two years ago.

In these colossal battles, where hundreds of thousands of men are engaged, all previous wars and needs are outclassed. A great many men are wounded in these battles. But with prompt care and abundant material handy, the vast majority of the wounded are saved.

Fast storerooms should be filled in France ready for the hour of need. A Red Cross doctor who recently returned from France reports a case of a soldier so badly wounded that it took a whole case of dressings to save him. Under the strain of such demands, a great mountain of supplies will quickly melt away.

It might be a good idea if these people with the schemes to end the war in thirty days, would just mention it to the war department, and omit the customary year's notice to the Germans.

It is a terrible offense for the United States to commandeer the Dutch ships, but all right for the Germans to sink 'em with people on board, particularly if there are a lot of women and children.

That terrible noise in the back lots is not an army of Huns starting their spring offensive, but merely the boys of the neighborhood having the first ball game.

It is surprising how the Germans have turned against poison gas since they were unable to defend themselves by making as good respirators as the allies can turn out.

One expects next to hear that the sheep and the rabbits have risen in revolt and are driving the Russians terror-stricken into the tail timber.

Another sure sign of spring on the streets of Janesville is father trundling a baby carriage and pretending it's turble heavy.

After playing nine innings of sun-light baseball after supper, the young crowd will never go back on the daylight saving proposition.

The big German drive seems to be on at last, and fortunately no quicker method of eliminating 500,000 Boches has ever been suggested.

The amateur detectives are terribly indignant that this government doesn't send the police around and ask everyone if he isn't a spy.

Unless a shell explodes within fifty feet of them, the visitors to the trenches feel they haven't had their money's worth.

The pacifist minister who has been sentenced to fifteen years in prison will find things delightfully peaceful there.

ON THE SPUR of the MOMENT

ROY K. MOULTON

If anybody wants a society pig to keep in the parlor as a war measure, now is the opportunity. Mrs. James A. Burden, a prominent society woman of Long Island, offers to furnish a well-mannered little pig free of charge. We have never seen a society pig that we cared much about chumming with.

Dr. Henry Van Dyke suggests the following addition to "The Battle Hymn of the Republic": "We have heard the cry of anguish from the victims of the Hun, And we know our country's peril if the war lord's wish is done."

Around The State

Held for Trial.

Racine, April 3.—Dan Leagan, a Greek who, it is charged, fired two revolver shots at Mrs. Charles Boetche, because she is alleged to have objected to his attention to her seven-year-old daughter, has been held for trial in municipal court. He disappeared after the shooting and

At the Smith college dinner it was said that women were developing abilities nobody ever supposed they had. One who went to a district to take care of babies finally became an expert mechanic. But there is nothing strange about that. Any other contrivance ought to be easy to one who knows how to manage a baby.

If you get a hard cold now, it will hang on all summer. Medical item: If you get your hard coal now, it will hang on all next winter. Remember that.

"Mr. Baker Urging Greater War Effort." Headline.

Talking to himself?

We will fight for world-wide freedom till the victory is won.

For God is marching on."

We are in favor of the first three lines and the last one is true enough, but we are in favor of allowing the Kaiser to do all the God-partnership business of the present war. Why initiate him. Why do the very thing we condemn in him? God will make it known in due time which side he is on in this unpleasantness.

The Kaiser's most disgusting references are those which refer to the Almighty.

WORK.

These first Bright days of Spring I hate to work At anything.

—Don Marquis.

And in the torrid Days of Summer I cannot work— I'm on the lummer.

And then, oh, then

Just Folks

By Edgar A. Guest.

TO A LITTLE GIRL.

A rosebud 'neath the gentle sun Will be a rose ere June is done.

The tiny song bird in the nest In time will sing its prettiest.

And fly away when summer's through. The way the old birds always do.

But dainty little girl of three You future no one may foresee.

I look at you sometimes and try To penetrate the by and by.

I wonder just what beauty lies Behind the laughter in your eyes.

What gentle deeds those hands will do When all your girlhood days are through.

What wondrous beauties I shall find When you have left these charms behind.

Oh, little girl upon my knee, How many charms I cannot see Are hidden deep within your heart? How many smiles are there to start.

When awakened by the coming years? And oh, I pray not many years Must dim the beauty of those eyes Now dancing with a child's surprise.

You're just a dainty bud and small, And yet within your soul lies all The beauty that shall blossom soon When you shall come to girlhood's June.

And I'm the plant! May I be strong And guard you well from hurt and wrong.

Remembering in my daily care That you must bloom in beauty rare.

after the police had searched for him for some time he walked into police headquarters.

Are in Bad.

Marinette, Wis., April 3.—August and Gustav Grudka, brothers, who reside west of Pound in Oconto county, according to a report received here, got themselves in bad with the military authorities over alleged remarks relative to the draft. The former was interned for the duration of the war and the latter sent to the front as a penalty.

They are of Russian birth, but are subjects of the Kaiser, having left Germany to evade military service.

First Quota.

Neenah, Wis., April 3.—Neenah will send its first quota to the farms about April 15. Ten boys will be placed on adjoining farms in this territory and later contingents from the class rooms will follow in short order.

WILLIAM BLAIR TO FIGHT FOR SEAT IN THE CITY COUNCIL

Claims That He Was the Only Candidate in the Field in the Second Ward for the Two-Year Term.

Claiming that he was the only candidate that was in the field for the two-year term in the second ward and that he is lawfully entitled to a seat in the council, William H. Blair, 15 North East street, has decided to contest the election. Blair has decided to contest the election. Blair has decided to contest the election.

City Attorney Charles Lange holds that Blair was not elected because he did not receive first or second place in the race and that he was not the people's choice for the office. Lange further stated, however, that if Blair had been one of the two high men he would have been given the two-year term.

Four candidates were in the race in the second ward and Blair was the only one who specified on his nomination papers that term he was running for. In the vote cast on Tuesday, James True headed the list with 270, Louis Kerstel was second with 217, Harry E. Claxton third with 201 and William H. Blair fourth with 126 votes.

In only one other ward did a candidate specify what term of office he had in mind. In the third ward, where Lawrence Cronin filed papers with that intention. Although Ensign Ransom secured one more vote than he did Cronin in the two-year term, according to City Attorney Lange.

A similar case to the claimed seat by Mr. Blair has never occurred in this city before, but in Virgoqua a contest resulted the same as it has done here and the candidate who specified the length of the term was granted the seat in the council.

The determination of the duration of the terms of the aldermen in the various wards where the candidates did not specify their intention rests entirely with the candidates, said City Attorney Lange this morning. It is not a question for the council to decide, but for the men themselves, and the decision must be reached before the first meeting of the council.

In the fifth ward, an arrangement has been reached whereby John J. Dulin will serve for two years and Arthur Jones for one year. In the first and fourth wards the term decisions have not been reached. In the second ward Lawrence Cronin will have the two-year term and Ensign Ransom the one-year term.

On April 6th, 1917, the United States of America declared war on Germany. Next Saturday will be the first anniversary of that important date. It is also the date set for the opening of the third Liberty loan campaign. People of Rock County are urged to make it a day of service to their country by displaying their flags on Saturday.

Saturday will see the start of the loan campaign and the committees are working hard to have all flags displayed before the opening of the date. Every man, woman and child in Rock County who possibly can are going to be asked to help in this campaign. It is vital that all people assist and that the work of the campaign must not be carried on by a selected few.

It is everybody's campaign and Rock County is called upon at this time to do its duty to the soldiers in the camps in this country. Country school teachers and the pastors of the county are being enlisted in the work.

At the teacher's institute which will be held at the high school on Saturday, W. H. Dougherty and L. A. Markham of this city will address the young ladies in an endeavor to show them what valuable service they can render their country by aiding in the coming campaign.

The committee requests that all flags throughout the county be displayed on Saturday and Sunday. The people of Rock County get behind the campaign and assist in having Rock County the first county in the state to raise their quota.

OBITUARY

Mrs. Harry A. Severson.
Word was received here of the death in Rockford, Illinois, of Mrs. Harry Severson, sister of C. E. Culver, of La Prairie. Mrs. Severson will be remembered here as Louise A. Culver. Funeral services were held at the home Sunday afternoon at four o'clock. Interment was made in the Forrest View Abbey.

Albert Marskie.
Word has been received in town, of the passing away of Albert Marskie, at St. Cloud, Florida, on Tuesday, April 2nd. Mr. Marskie was in his 78th year. He was an old soldier, belonging to Company H, 13th Inf. Wisconsin. He was a corporal. He leaves a wife and four daughters, Mrs. W. M. Cowles, of Chicago, and Mrs. George Harrington, Mrs. Bernice Persons, and Mrs. Bert Rutter of this city. Mr. and Mrs. Marskie have many friends in Janesville, as they usually spent a part of the year in the north. Mrs. Bert Rutter of South Main street is still in St. Cloud, where she has been spending the past two weeks, helping to care for her father. The interment will take place in Florida.

Miss N. L. Hoskins.
Funeral services for the late Miss N. L. Hoskins who passed away at her home were held this morning in the chapel at the Oak Hill cemetery. The Rev. Pierson conducted the services. Interment was made in the Oak Hill cemetery. The pall bearers were: Bert Gage, Will Heller, Will Eller and J. T. Fitchett.

Eugene F. Bliss.
Eugene F. Bliss, a former resident of this city, passed away this morning at his home in Cincinnati, according to a telegram received by Mrs. Jackman in Beloit. He was remembered by many local people. His father, Cyrus Bliss, was county treasurer here for a number of years. The remains will be brought here for interment.

PERSONAL MENTION

Mrs. Sarah L. Guerssey returned yesterday from Utah, where she was visiting for the last three months. Miss Bernice Balsley is confined to her home on West Bluff street with pneumonia.

Helen Mulligan of 1320 Elizabeth street, entertained the Red Cross sewing club yesterday afternoon. Several little girls were present. Light refreshments were served at five o'clock. Miss Clara and Walter Zerba have left for Denver, Colorado, for an indefinite stay.

Ernest Schultz is seriously ill with pneumonia and pleurisy at the home of his parents on North Pearl street. Miss Helen Mitchell spent the first of the week in Milton Junction with relatives.

Out of Town Guests.
Miss Marie McCue of Kenosha is spending a few days in the city visiting relatives. Miss Grace Cole of Chicago.

Mr. and Mrs. Lee Woodie of the Kent Flats on Court street, have returned to the Cooper Flats, at 61 South Franklin street.

Mrs. Frank Pease of Fulton was the guest this week at the home of Mr. and Mrs. Edward Lee of 308 Forest Park Boulevard.

Mr. and Mrs. James Cummings of Delavan spent the first of the week in town with friends.

Mrs. William Ehrlinger of Hanover was a day visitor at the home of the Red Cross workers this week. She brought in a lot of finished garments from the Hanover auxiliary.

Miss Bernice Kellhofer has returned after a visit the first of the week with her parents in Sharon.

Mr. and Mrs. Arthur Dooley spent the Easter holiday in Janesville from Brookfield. They were the guests of Miss Dooley's mother.

Miss Ruby Hickok of Sharon was a shopper in town this week.

P. D. Swan of Wausau, Wis., is spending a part of the week in town on business.

Mr. and Mrs. Edward Matice of Footville are Janesville visitors today.

Miss Earl Matice is here from Chicago, Iowa. She is visiting at the home of her parents, Mr. and Mrs. Samuel Soverhill of North Washington street.

Mrs. Dodd of Milton Junction spent the Tuesday at Red Cross headquarters, studying the work of the Janesville unit.

Mr. and Mrs. E. R. Craft of South Third street, returned from Milwaukee where they have been spending a few days.

Mr. and Mrs. John Ward of Johnston were Monday visitors in Janesville.

Miss Ruby Vanderly of Linn street has gone to Minneapolis where she was called by the serious illness of her sister, Mrs. Irving Allen.

Miss Bernice Balsley, who made their home on South Franklin street, have returned to their former home in Brookfield to take up their residence.

Edward Leary and Frank Bunt were business visitors in Milton this week.

Miss Beulah Barrett of Beloit has returned. She was the guest of Janesville friends on Wednesday.

Mrs. John Spoon of Washington street has gone to Beloit where she will spend a week with her sister.

Gerard Woolf, who has been studying at his home on Oakland avenue, has returned to his studies at Rush Medical College in Chicago.

Dr. Doctor Mary Mansur of Ringwood, Okla., is in the city for a few days at the home of Mrs. George Barker on St. Lawrence avenue. She accompanied the remains of her sister, Mrs. L. A. Hoskins, who passed away this week in Oklahoma, and was interred in Oak Hill cemetery.

W. G. Peterson, who is chief mechanic at Camp Dodge at Des Moines, Iowa, and his brother, H. L. Peterson of Racine, were the over-Easter guests at the H. A. Palmer home on Logan avenue. They returned on Wednesday.

Roy Wisner of South Second street has gone to Chicago for a few days business trip.

Mr. and Mrs. George Cunningham, Mrs. Kennedy and Veronica Quigley of this city were guests the first of the week at the William Quigley home in Johnston.

Mrs. C. D. McCarthy has returned from a recent visit with friends in Porter.

The Misses Joanna Hayes and Margaret Doty gave a dinner party at half past six on Wednesday evening. Miss Jessie Pruner was the guest of honor. Covers were laid for seventeen. The table was made most attractive with a large centerpiece made of the spring flowers, with streamers of smilax surrounding it, and the subdued lighting of the yellow candles, in handsome silver holders, added to the effect. After the dinner bridge was played. A special prize was given to Miss Pruner, and the other prizes were won by Mrs. George Yahn and Miss Norma Ryan.

The Women's Union held an all-day meeting on Wednesday at the Baptist church. They met to work on Red Cross work. A dinner was served at noon by the April birthday group. A program was given at 2:30, of which the missionary committee had charge.

Mr. and Mrs. Fred Blakely of Glen street entertained the Cribbage Club on Wednesday. This club meets on Wednesday evening and the men play against the women. They are playing a series of games.

The Eastern Star Study class met this afternoon at the Masonic Temple. A program will be given and a supper served. The hostesses for the afternoon are: Miss E. R. Talmadge, J. B. Stevens, W. Tallman and G. E. Faltzinger.

Red Cross work now occupies the afternoon and a tea was served at half past six.

Mrs. Fred Granger of 1002 W. Bluff street will entertain Circle No. 7 of the C. M. E. church on Friday. Miss Bernice Balsley will assist Mrs. Granger as hostess.

The Ladies Benevolent Society will meet at the Congregational church parlors on Friday afternoon. The afternoon will be taken up with church work.

ROSENBERY'S VOTE A COMPLETE SURPRISE

Heavy Vote Received by Wausau Man for Supreme Court Bench Unexpected Throughout State.

Justice Marvin B. Rosenberry's majority over Charles K. Crownhart for the supreme court bench is considered in most districts the biggest surprise of the recent election. It was claimed by Crownhart's supporters that he would receive the LaFollette backing as well as the backing of the farmers and labor people.

Which he returns have been completed it is thought that Justice Rosenberry may have a majority of from 50,000 to 75,000. Incomplete returns and with counts still to be heard from give Justice Rosenberry a majority of 40,047.

Latest returns give Rosenberry 141,535 and Crownhart 101,488. Outside of Milwaukee county where Crownhart was given a big vote by the Socialists the election appears to have been upon a non-partisan basis.

Justice Rosenberry was appointed by Gov. Vilas, succeeding John Barnes, who resigned to become general counsel for the Northwestern Mutual-Life Insurance company in Milwaukee.

MANY STUDENTS JOIN CLASS IN GARDENING

High School Boys and Girls Are Enthusiastic in Their Efforts to Increase Production.

Over one hundred boys and girls at the high school have entered the course in gardening which is being given by Allen B. West, instructor in agriculture. Of the total number who are taking the course about twenty-five are girls, who are anxious to do their bit to aid the country in winning the war by planting a patch of ground around their homes.

The class will meet two or three times a week and all the fundamental principles and requisites for a good garden will be carefully explained by the instructor.

The students will use as their text a series of articles on "Getting ready for the war garden," published and issued by the Extension Service of the college of agriculture of the University of Wisconsin, of which K. L. Hatch is the assistant director. The work which will be conducted, is approved by the state council of defense.

First lessons which have been given dealt with the plans for the gardens and the fundamental principles which should be followed in doing the planting. Both the boys and girls are taking an intense interest in the work and will devote their spare time this spring and during the summer to growing crops which will serve to increase the production for consumption at home.

COMPANY M BOYS MAY BE IN BATTLE

Many Local People Think That Janesville Soldiers Are Now Busy Fighting in France.

Adjutant General Orlando Holway of the Wisconsin State Guards has issued a statement claiming that in his opinion there are more than twenty thousand Wisconsin soldiers now on the battle lines or very near the battle lines in Germany.

Citizens of Beloit and Janesville have taken this to mean that undoubtedly the members of Companies L and M of the two cities, respectively, are engaged in the fight or they are very near the front and ready to go in at any time.

It has been thought in this city for several days that the members of Company M were just about ready to go to the front and the people are now of the opinion that Janesville has several of her boys now engaged in fighting the Germans.

General Holway's statement was in response to a telegram from Congressman James A. Fear of Washington, asking him for the total number of Wisconsin men now in some branch of the service.

WILLIAM MCCONNELL AND FRED SANDSTON ENLISTED IN ARMY FOR WAR SERVICE YESTERDAY

Two more Janesville boys enlisted in the U. S. army yesterday according to information from Private Mathew Kurth of the Regular army, who now has an office on the second floor of the postoffice building. The young men who enlisted are William McConnell and Fred P. Sandstone who is going with the infantry.

The recruiting officers will be in Janesville up to Sunday and all who want to see him can do so at any time between eight and five.

RODE TO MADISON WITH THE THIRTY-FIVE SELECTS

I. P. Kinckley of Milton, a member of the local draft board, journeyed as far as Madison with the thirty-five selects who left yesterday morning, on a series of games.

The Eastern Star Study class met this afternoon at the Masonic Temple. A program will be given and a supper served. The hostesses for the afternoon are: Miss E. R. Talmadge, J. B. Stevens, W. Tallman and G. E. Faltzinger.

The Drama Club held their last meeting of the season on Monday evening at the home of Miss Crighton on Ravine street. It was a business and social evening combined. The officers elected for the next year were: president, Miss Ella Jacobson; secretary, Miss Mary Stevens, and treasurer, Miss Mable Greenman. At ten o'clock a most inviting lunch was served.

Miss Florence Nuzum of Milwaukee avenue entertained the Beta Gamma girls Tuesday evening. The girls were making an assault on John Zastoupil, motorman for the Janesville Traction company, has been adjourned one week by Judge Maxfield.

St. Patrick Court, No. 318, W. C. O. F. held installation of officers last night at the Caledonia rooms, after which a buffet lunch was served.

WILL UNFURL FLAG SATURDAY AFTERNOON

Chicago & Northwestern Railroad Employees to Commemorate First Anniversary; Public Is Invited.

Saturday afternoon at three o'clock the employees of the Chicago and Northwestern railroad of the South Janesville roundhouse will convene onto the first anniversary of the entrance of the United States into the war by unfurling a flag. A. E. Matheson has consented to give the principal address for the occasion, which will probably be along the lines of the paramount issues raised up to and during the first year of war.

Private Mathew Kurth, the regular army recruiting officer who is now stationed at the postoffice, will unfurl and raise the flag. Private Kurth was formerly of the eastern department, of which General Leonard Wood was commander before the war. Approximately one hundred employees will attend the unfurling together with friends and relatives.

TO THE VOTERS OF THE FOURTH WARD

I wish to thank my friends and the voters of the fourth ward for the support given me at the polls April 2nd.

Regular meeting of Rock River Encampment No. 3, I. O. O. F., will be held at East Side Odd Fellows Hall Friday evening, April 5th. Work in the Golden Rule and Patriarchal degrees.

J. W. Van Beynum, Scribe.

TO SALE

A great bargain event at Smith's Pharmacy tomorrow and Saturday. Don't miss it.

On sale at St. Joseph's Convent, identification cards and pocket folders for soldiers and sailors. Also numerous religious articles.

Protein in White of Eggs.

The purest example of protein is the albumen in the white of egg. Protein is found not only in eggs, but all lean meats. Also in vegetables and cereals in much smaller proportions, some vegetables having only a trace, while others, such as peanuts, having more than the best beefsteak.

Woman Invents Lamp Shade.

Artistic lamp shades have been invented by a woman who chemically treats the lining of calves' stomachs to produce a translucent leather.

Mrs. D. F. Zull and daughter, Miss Flora, were Janesville visitors Wednesday.

CHILD NAMED TO SUCCEED MANUEL

Prince Duarte Nuno.

Ex-King Manuel of Portugal seems to have despaired of ever regaining his throne, as he has recently nominated as "heir" to his throne little Prince Duarte Nuno, the young son of Don Miguel of Braganza.

HIGH SCHOOL HEARS MILTON SONGSTERS

Milton College Glee Club Sings For Students—Senior Class Votes For Two-Night Graduation Exercises.

gram presented to them by the Milton college glee club yesterday afternoon in the high school auditorium. The songs sung were all of an interesting nature and all showed a careful preparation for their presentation.

At their meeting on yesterday afternoon the senior class selected Miss Hilda Meisner, teacher in the commercial department, to act as class adviser to fill the place of Miss Grace Matthews who recently resigned her position to enter the United States

service. Following the election of Miss Meisner to class advisorship, a resolution was passed to the effect that there be two nights given over to graduation this year as has been the custom in the past.

Some one hundred students expressed their desire yesterday to take charge and cultivate a war garden of their own. For many days Mr. West has been giving brief talks before the assembly and explaining just what the government is going to expect from

the high school students during the coming summer, but not until yesterday was an exact indication taken of the number who intended to participate. Classes are being organized in which the students who intend to do this garden work can receive special training along the lines of planting and caring for a garden.

Cut in Detroit they call Eric Erickson, once with the Giants, "Waffles." Three guesses—Why?

AMUSEMENTS

Notices Furnished By The Theaters.

Myers Theater.
The Birth Of Icebergs Off the Alaskan Coast

Lyman H. Howe has made a picturesque tour of Alaska. An important feature of his latest Travel Festival which comes to the Myers Theater for 2 days and matinee on Monday, April 8, and Tuesday, April 9.

One of the big things of Mr. Howe's screen excursion through America's northern possession is a series of views of icebergs in their moment of formation. After great risk and delay, the persistent Howe cameraman recently caught some actually amazing "close-ups" of huge icebergs breaking off from primeval glaciers and crashing into the sea. Some of the icebergs are 75 to 350 miles long and 400 feet high. The effect of mighty avalanches of ice and snow sliding down the sides of these white mountains and plunging into the ocean directly in front of the camera is one of the most sensational things of nature ever filmed.

CAMP GRANT NOTES.

(Wisconsin Eagle)
Co. B.
Privates William Hirschbuehler, Stoddard, Wis., and Richard M. Klonstein, Pigeon Falls, Wis., have been transferred to Camp Grant.

Sergeant Ernest Chambers, La Farge, Wis., and Corporal Walter P. Blackwood, 1504 E. Marquette Road, Chicago, have been appointed assistant commissary officer and assistant respectively, and are now attending the divisional gas school. Pretty soft.

Steve Grover, Grantsburg, Wis., formerly supply sergeant of the company, has arrived in France.

Leo Outcalt, Cushing, Wis., transferred from here to the 13th engineers, has died at the base hospital.

Co. F.
On April 3rd's day Sergeant Imbler and Corporal Dolezal, Finley and Beadles entered the divisional school of trench cleaning. After the first day's work Corporal Dolezal from New Auburn, Wis., remarked that at the end of the course he would either be as hard as nails or nailed hard in a coffin. He is especially interested in the French marching cadence as illustrated by Sergeant Vincent and thinks that after he has fully mastered it he will be able to march from Paris to Berlin in about twenty minutes.

On Easter morning we were all pleasantly surprised by having all the fresh eggs that we could eat. Roast pork for dinner, too.

Last Saturday the baseball players of the second battalion had a preliminary try-out. Corporal Dean from Minneapolis, Beecher from Hayward, Wis., and Beadle from Platteville, Wis., made a good showing.

Private James R. Stone, Reedsburg, Wis., recently returned from a pass all dolled up with a pair of glasses. We fear that "Dedo" has strained his eyes looking for a girl in Rockford.

Co. L.
On Saturday night, defeated Co. I, Lane County, 25 to 15 in one of the first games of the season. The score would have been larger, but the winners were winded.

Supply Co.
Wanted—Some nice girl to write to First Sergeant Harry G. McLean. He has not received any mail for over a week.

Wagoner Van Ruden had the misfortune to be kicked by the cheekbone by one of the Ha-Ha's when clipping one of its legs Saturday. We look for an early recovery.

Machine Gun Co.
Corporal Ronald E. Miller, La Crosse, Wis., has been promoted to Sergeant.

Private James R. Stone, Reedsburg, Wis., has been transferred to the veterinary corps, auxiliary remount station.

The following have been transferred to Camp Merritt, N. J.: Privates August C. Voss, Keosauqua, Wis.; Gary Charworth, Superior, Wis.; Timothy Cayo, Wausaukee, Wis.; Warner R. Johnson, Marinette, Wis.; and George Denk, Sayner, Wis.

While nothing definite is known there is a very persistent rumor circulating to the effect that Privates Carl Lubbe and Walter McKivett have dissolved partnership in the contracting business.

Members of Company "D" are becoming much interested in the prospects of giving another dance in Janesville. Plans are being made to give the dance as soon after Easter as possible.

Sergeant Roy F. Mawhinney has been transferred to Headquarters Troop of this division at his own request.

Measles have been discovered in the barracks of our immediate neighbors, Company "C" of this battalion. At 8:30 p. m. yesterday one lone measles was discovered stealthily weaving its way towards our barracks. However the quick wit and presence of mind of Private George Jobe saved the day. Said measles was ground to death beneath the heel of Jobe's brand new shoes.

Private Edward Schenck has decided that while taps is a most beautiful and impressive call it is nevertheless extremely sad. One good feature about it is that when it is blown we are either asleep or we come in too late to hear it.

At the inspection of feet yesterday afternoon after the hike Sergeant Harold Stuckney was found to have twin blisters.

Corporal Walter E. Maher passed another successful birthday yesterday and received his usual box of candy. This was Corporal Maher's sixth birthday since he joined the national army last September. The office force is waiting patiently for the next eventful day.

Private Wayne Minger is in charge of the recruit painters who are decorating the barracks.

Corporal R. R. Thomas has recovered from his attack of the la grippe enough to be able to visit Rockford again.

Privates George Dorow, John W. Butters, John L. Norton and Clarence Hansen have been transferred from this company to Headquarters company of this battalion.

Private Elmer Bancroft has returned to the company for duty after having been ill at the base hospital for several weeks.

Mrs. Raymond W. Gallaher of Angola, Indiana, spent several days this week with her husband, Supply Sergeant Gallaher.

Lieut. Harry E. Maher of Chicago, who has been with Company "D" since its organization, was recently promoted to the rank of first lieutenant. The recent warm weather has brought the base ball bugs in the company to the front. A team is to be organized under the tutelage of Corporal R. R. Thomas, former left-fielder of the Fairbanks-Morse team of Elkhart, Indiana.

At guard mount Thursday a company drill was held in order to pick out the men who were to be the orderlies. The drill was conducted along the lines of an old fashioned spelling bee. Privates Wayne Minger and C. D. Thompson were the winners. The drill was conducted by First Lieut. Joseph A. Barton.

War Conditions Met by Most Miles per Dollar

THE new demands for economy in motor car operation found Firestone ready. Tire thrift has for years been coupled with Most Miles per Dollar.

Motorists who had not known Firestone superiorities before are now turning to them in this period of careful buying of all necessities.

Study these advantages of the improved Firestone Fabric Tire:

- 1 Deeper cushion stock protects body of tire against injury and increases resilience.
- 2 More rubber between layers gives greater resilience and

added protection against internal friction.

- 3 Reinforcement in sidewall strengthens bead and places the bending point where tire is strongest.
- 4 Thick, tough tread affords longer surface wear.

Ask your dealer to show you this cross-section of the Firestone Fabric Tire so you can see for yourself its superiorities. Then try a Firestone Tire on your car. It's real economy.

LOYALTY OF STATE IS CLEARLY PROVEN

REPUBLICAN CHAIRMAN OF CON-
GRESSIONAL COMMITTEE HAS
INTERPRETED ELEC-
TION RESULTS

OF NATIONAL INTEREST

Means That People of Wisconsin Are
in Favor of a More Efficient
Prosecution of the War

Washington, April 4.—Sentiment in Wisconsin is for a more efficient prosecution of the war, the voters in Tuesday's election having made a clear cut distinction between real and false issues associated with the administration, and in their choice of a successor to the late lamented Governor Paul O. Husting, of Congress-
man Irvine L. Lenroot, Republican.
Such is the interpretation of the situation in the Badger state, as outlined in a statement of Mr. Lenroot's election issued tonight by Frank O. Woods, chairman, in behalf of the Republican national congressional committee. The statement follows:
"The issues involved in the campaign have attracted not only national, but international interest.
"The election of Mr. Lenroot were the Democratic candidate Joseph E. Davies, whose election the president, vice president and Democratic leaders urged, upon the issue of loyalty, and Victor Berger, Socialist.
"Outstanding Facts.
"Two facts have been demonstrated by the election of Mr. Lenroot. First, it means that the people of Wisconsin favor a more efficient prosecution of the war. Second, it means that the voters have maintained a clear distinction between real and false issues.
"The Democratic leaders made the mistake in Wisconsin that they made in other congressional elections since America entered the war. In the special election in New Hampshire, for a member of the house, the Democrats claimed it was a contest between this country and Germany, with the Democrats for America and the Republicans for Germany. In the election later in Indiana the same claim was made. It was a false issue. Similar tactics were employed in Wisconsin. A Republican was elected in each case.
"Says the statement:
"The Democratic leaders thus created the impression in Germany that friends of the Kaiser were more numerous in these elections than friends of the American cause. In other words, by confusing the issues, Democratic leaders are promoting pro-German propaganda and giving aid and comfort to the enemy.
"The same confusion has been created in congress in the consideration of war measures. Democrats have constantly charged that, by insisting upon amendments to perfect war legislation, Republicans were opposing the war program, when as a matter of fact, the only purpose of Republican amendments is to make the prosecution of the war more efficient and more vigorous.
"It seems wise to emphasize these features of the situation and to bear them in mind clearly for the future."
Mr. Lenroot.
That President Wilson and Vice President Marshall both helped to elect Lenroot, the former by his letter to Joseph E. Davies and the latter by his Madison speech, was the claim made by republican leaders in congress.
Many telegrams of congratulation were sent to Mr. Lenroot. Representative James C. Watson, of Indiana, sent the following message:
"Congratulations. Your success is especially gratifying, constituting as it does, a rebuke to presidential interference at a time when we are all supporting the administration, regardless of party."
Representative Henry A. Cooper of Wisconsin said:
"I am glad to learn of Mr. Lenroot's election. I thought it certain. The vice president's speech was really an insult to the Republicans of Wisconsin."
Representative John J. Esch, of Wisconsin said:
"I think the president's letter to Mr. Lenroot and the vice-president's speech undoubtedly had a large effect in the state. The vote ought to disclose to the country that Wisconsin's loyalty is not to be questioned."
Representative James A. Frear, who served with Mr. Lenroot a long time in the state legislature, said:
"The election is a great victory for the house of representatives in the senate."
Representative Edward B. Browne of Wisconsin, said:
"I expected a Republican senatorial victory."
Representative James H. Davidson said:
"I am pleased with the result and it demonstrates that nobody has the right to question the loyalty of our state."
Democrats Gratified.
Democratic analysis of the Wisconsin election, according to the Madison Journal, who toured part of Wisconsin, said:
"I am naturally gratified to note that there were no gains where I spoke. The fact that the normal Republican majority of 75,000 to 100,000 was reduced possibly to 10,000 or less, shows that the country is for this war, and that the people are with the president."
Senator Ollie M. James of Kentucky, another administration spokesman, said:
"The election in Wisconsin, when carefully and fairly analyzed, is a victory for the president."
Habits.
It is astonishingly easier to get into a bad habit than to get out of it. It is like the difference between sliding down a mountain slope and climbing up it. Therefore, when you find an undesirable habit growing on you, climb back, before you have gone down too far.—Exchange.

Wife (3 a. m.)—John, wake up! I hear burglars sawing a panel from the front door. That's funny—now that you've stopped snoring I don't hear them!

May Utilize Locusts.

Because locusts are rich in nitrogen and phosphoric acid the government of Uruguay has appointed a commission to ascertain if the insects cannot be utilized in fertilizers, soap and fabrics.

Expensive Gold Fish.

The rarest and most expensive gold fish in the world is the Chinese brush-bill, a pair of which sell for \$1,500. Probably there is no other living thing of its size and weight that is worth so much money.

LICENSE QUESTION

PROVED SURPRISING

The wet and dry question formed an all-absorbing issue in nearly 300 cities, villages and towns of Wisconsin on Tuesday, and the result proved surprising in many instances.
A large number of places reversed their conditions, while in still others the customary rule still prevails. Superior, the home of Senator-elect Lenroot, together with Beloit and Ashland, was the scene of defeat for the saloon forces, the latter city voting out fifty-five business places.
Superior reversed the old verdict of a year ago by half a hundred votes, while Beloit gave the dry ticket a majority of 226, the first victory of the kind in a quarter century. At Janesville the saloon forces won by a biggest vote in years—570.
Green Bay, Grand Rapids, Port Atkinson, Sturgeon Bay and Beaver Dam voted for saloons. Port Atkinson gave a majority of 291. Sturgeon Bay wet vote was about three to one. Practically all of Brown county was lost by the dry forces, even De Pere and West De Pere going over to the moist column. Shawano, formerly East Milwaukee, also remains wet.
At Madison the result appears to be in doubt, both sides claiming victory. The result of the election cities, towns and villages line up as follows:
WET—Portage, Westfield, Killbuck, Lyndon, New London, Grand Rapids, Clinton, Rolling, Menasha, Antigo, Plover, Upland, Ackley, Chiltonville, Menomonee, Bear Lake, Almont, Gillet, Melvin, West Salem, Nowalk, Cedar Bay, Sturgeon Bay, Beaver Dam, Mondovi, Oshkosh, Independence, Bangor, Cashton, Mauston, Tomah, Monroe, Oliver, Antigo, Oconomowoc, Salem, Elkhorn, Shrewsbury, Mineral Point, Onalaska, Port Atkinson, Janesville, Ripon, Lake Geneva, Chippewa Falls, Fox Lake, Princeton, Friesland, Doyleston, Briggsdale, Park Falls, Platteville, Neesh, Lake Mills, Somers, Burnett, Algoma, Winneconne Village, Darlington, Altoona, Peshtigo, Grover, Portfield, Wausau, Rice Lake, Tule Lake, Marshfield, Red Springs, La Valle, Kendall, Cataract, Black River Falls, Darlen, New Lisbon, Oakdale, Clinton, Witten, Hustler, Clinton, Stanley, Elroy, Watervator, Oshkosh, Exeter, Lake Dela, Dela, Dela, Evergreen, Spooner, Ashland, Superior, Nekeosa, Randolph, Amherst, Weyauwega, Beloit, Trempealeau, Winneconne town, Augusta, Niagara.

Two facts have been demonstrated by the election of Mr. Lenroot. First, it means that the people of Wisconsin favor a more efficient prosecution of the war. Second, it means that the voters have maintained a clear distinction between real and false issues.

The Democratic leaders made the mistake in Wisconsin that they made in other congressional elections since America entered the war. In the special election in New Hampshire, for a member of the house, the Democrats claimed it was a contest between this country and Germany, with the Democrats for America and the Republicans for Germany.

In the election later in Indiana the same claim was made. It was a false issue. Similar tactics were employed in Wisconsin. A Republican was elected in each case.

Says the statement:
The Democratic leaders thus created the impression in Germany that friends of the Kaiser were more numerous in these elections than friends of the American cause.

In other words, by confusing the issues, Democratic leaders are promoting pro-German propaganda and giving aid and comfort to the enemy.

The same confusion has been created in congress in the consideration of war measures. Democrats have constantly charged that, by insisting upon amendments to perfect war legislation, Republicans were opposing the war program, when as a matter of fact, the only purpose of Republican amendments is to make the prosecution of the war more efficient and more vigorous.

It seems wise to emphasize these features of the situation and to bear them in mind clearly for the future.

Mr. Lenroot.
That President Wilson and Vice President Marshall both helped to elect Lenroot, the former by his letter to Joseph E. Davies and the latter by his Madison speech, was the claim made by republican leaders in congress.

Many telegrams of congratulation were sent to Mr. Lenroot. Representative James C. Watson, of Indiana, sent the following message:

"Congratulations. Your success is especially gratifying, constituting as it does, a rebuke to presidential interference at a time when we are all supporting the administration, regardless of party."

Representative Henry A. Cooper of Wisconsin said:
"I am glad to learn of Mr. Lenroot's election. I thought it certain. The vice president's speech was really an insult to the Republicans of Wisconsin."

Representative John J. Esch, of Wisconsin said:
"I think the president's letter to Mr. Lenroot and the vice-president's speech undoubtedly had a large effect in the state. The vote ought to disclose to the country that Wisconsin's loyalty is not to be questioned."

Representative James A. Frear, who served with Mr. Lenroot a long time in the state legislature, said:
"The election is a great victory for the house of representatives in the senate."

Representative Edward B. Browne of Wisconsin, said:
"I expected a Republican senatorial victory."

Representative James H. Davidson said:
"I am pleased with the result and it demonstrates that nobody has the right to question the loyalty of our state."

Democrats Gratified.
Democratic analysis of the Wisconsin election, according to the Madison Journal, who toured part of Wisconsin, said:

"I am naturally gratified to note that there were no gains where I spoke. The fact that the normal Republican majority of 75,000 to 100,000 was reduced possibly to 10,000 or less, shows that the country is for this war, and that the people are with the president."

Senator Ollie M. James of Kentucky, another administration spokesman, said:
"The election in Wisconsin, when carefully and fairly analyzed, is a victory for the president."

Seek Body.
Fond du Lac, April 4.—In a final effort to locate the body of 12-year-old William Doudican, who was drowned in the East river over two weeks ago, divers have been employed to search the bed of the stream from the place where the boy fell in to the mouth of the river. It is the opinion, however, that the body has been carried out into the lake, where it is caught in the ice floes which are still numerous.

No Guaranty.
Wausau, April 1.—Even strong boxes do not guarantee immunity from robbery. Robert Benski discovered this fact when robbers entered his saloon and carried away a seven-hundred-dollar safe containing about one hundred dollars in cash and some valuable papers.
